White Sox give Yankees trouble

By FRED DOWN
UPI Sports Writer

The Chicago White Sox have come up with a number for which American League teams searched for years — the Yankees' number.

It's an old Yankee tradition to play their best against their chief rivals — to knock off the contenders themselves.

The defending world champions may eventually get around to doing just that this season but they'll have to make up for lost time Here it is almost the halfway mark of the season and they've yet to score a victory over the White Sox!

The White Sox made it three in a row for the season Monday night when Johnny Buzhardt and Hoyt Wilhelm combined in a six-hitter that gave them a 5-2 victory over the Yankees The win was the White Sox' fourth in their last five games and boosted them to within one game of first-place New York

Yankee Nemesis

Buzhardt, a low fast ball pitcher whom the White Sox acquired from the Philadelphia Phillies in 1961, has now beaten the Yankees four straight times over the last two seasons He yielded five hits in seven innings Monday night to raise his overall season record to 9-3

Catcher Camilo Carreon's three-run double off Al Downing was the big blow of a four-run fourth-inning rally and Pete Ward weighed in with his ninth homer and a single to extend his hitting streak to 18 games. A crowd of 42,748 in Chicago saw Downing suffer his first loss after two wins

The Minnesota Twins beat the Baltimore Orioles, 6-4, the Boston Red Sox defeated the Cleveland Indians, 7-5, the Los Angeles Angels nipped the Washington Senators, 3-2, and the Kansas City Athletics downed the Detroit Tigers, 6-3, in other American League action.

In the National League, the San Francisco Giants edged out the St. Louis Cardinals, 4-3, the Los Angeles Dodgers tripped the Cincinnati Reds, 5-4, and the Milwaukee Braves beat the Houston Colts, 3-0.

Want to be sure Liston is ready

MIAMI BEACH (UPI) — Local boxing commission chairman Fred Aaronson wants the World Boxing Association to make sure that Sonny Liston, who cancelled his fight here due to a knee injury, is fit to fight Floyd Patterson in Las Vegas next month.

Aaronson explained that the big heavyweight champion of the world is still carried on the Miami Beach commission record as "ill and unavailable" and that he should be formally released from this status by the commission here before being allowed to fight elsewhere

Liston was scheduled to fight Patterson for the championship here in April, but injured his knee and the match was off.

The trips offer the football standouts first-hand glimpses of the real beneficiaries of the annual charity game

We are grateful to Frontier," Russel said 'Separate trips are much more worthwhile, both for the players and the children who look forward anxiously to the visits."

$100,000 for tourism listed

LINCOLN (UPI) — The budget committee recommended an increase of $100,000 for the State Game Commission for tourism promotion during the next two years

State Capitol cooling provided

LINCOLN (UPI) — The budget committee suggested appropriating $833,472 in "new" money to be used with estimated balances of $385 000 to undertake air conditioning the Capitol during the 1963-65 biennium

Under language in the bill, the money may not be used for any other projects

In 1961, the legislature provided that balances plus receipts for 1961-63 were to be applied ot purchase of certain lands in the Capitol area and to air conditioning the statehouse

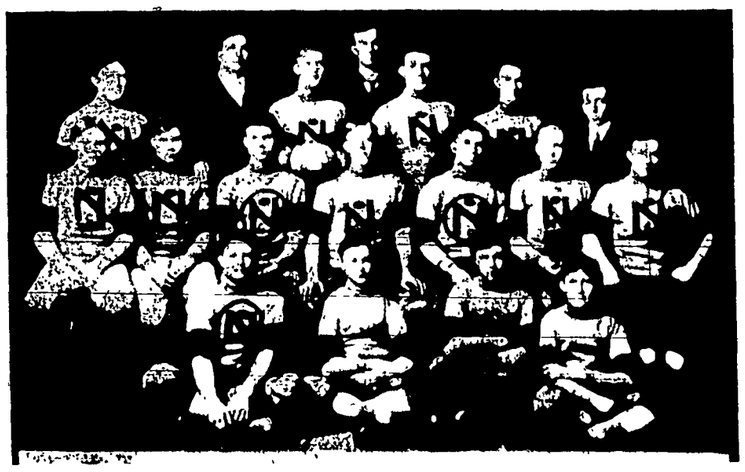

All of the authorized lands were bought and therefore there was insufficient money to air condition the Capitol this biennium, the committee said
