Weekend TV Sports Guide

Weekend TV sports viewing continues on the light side as college and pro sports continue to fade from the picture.

Pro baseballers are still on their pre-season Grapefruit league tours, but will soon appear on Saturday afternoon with the Game of the Week, beginning in April.

Golf and bowling take the most TV time for the present time with golf foremost.

Channel 3 will, however, carry the East-West Collegiate All-Star battle at 2:30 Saturday.

SATURDAY VIEWING

2:30 — Channel 3 — East-West College All-Star basketball in live color. Channel 7 — Pro Bowlers tour, Tournament of Champions, Akron.

3 p.m. — Channel 6 — Third Round Greensboro PGA Open, 60 min. Golf.

4 p.m. — Channel 3 — Wonderful World of Golf. Channels 6-10 — CBS Golf Dudley Wysong and Kermit Zarley vs. Dave Marr and Tommy Jacobs. Channel 7 — Wide World of Sports.

6 p.m. — Channel 7 — Strike It Lucky, Omaha bowling.

SUNDAY VIEWING

12 noon — Channel 7 — Live Bowling from Omaha

1 p.m. — Channel 7 — NBA Playoffs, Western Division.

1:30 p.m. — Channel 6 — Wonderful World of Sports, 90 minutes.

3 p.m. — Channel 7 — American Sportsmen, hunting around the world by famous names in sports, tv, movies.

MENTAL TELEPATHY

Q. Can some people broadcast and receive though waves?

A. Scientists say that mental telepathy isn't impossible but that thought transfer hasn't been proved The brain does give off tiny electrical impulses, therefore it could theoretically act as a sending device What's missing in humans is a workable receiving device Birds and bees may have some sort of sending and receiving apparatus Birds migrate to the same spot every year and they do it without maps, radar, compass or clock Bees locate water in some mysterious way To dismiss these acts as "instinct" explains nothing Still, in humans, "supernatural" behavior hasn't been proved

PALATE LUMPS

Q. Can cancer start from a lump in the roof of the mouth?

A. It could, but many doctors say that most bony lumps in the center of the palate are quite harmless Even though palate lumps cause no trouble it is best to let your doctor or oral surgeon have a look

Remember — the diagnosis and treatment of disease is the function of the patient's personal physician

We package prescriptions in safe, efficient containers that protect the medicine against possible harmful effects of light, air or moisture.

The buck Ends here . . . .

Nebraska City's newest "merchants," an organized group of little Misses will make deliveries soon of their product — Girl Scout cookies.

The cookie sale, a staggering undertaking, is a mainstay in the Girl Scout program. It's dollars and cents that add up to large figures.

It is really a sort of contribution you can taste. . . . .

Sam Metcalf is spearheading the celebration for the first towboat up the river this season, hopefully Saturday afternoon.

There will be a program presentation of Admiral certificates and a general welcome kicking off the navigation season for 1967.

Reminds me of the time Charlie Williams and I awaited a towboat. . . . .it finally arrived about 4 a.m. P.S. Sam, call Colonel Ryan out of bed if a similar situation should develop.

A community school program for Nebraska City on a smaller scale than the program at Flint, Mich., may be a coming thing.

All ready there is a father-son basketball night once ~~a week~~ at Sixth Street school. Indications are that community school programs would be popular at Nebraska City and could be scheduled in one building to accommodate everyone.

Sounds great. Let's give it a whirl.

The sale of the second printing of the Nebraska City Centennial books is being well received, according to Mrs Don Sherrill, chairman of sales for the Jaycee Jaynes.

Hotel Grand is getting a face lifting and A. M. Stephenson, owner, has all ready completed extensive remodeling and painting of the interior.

It's good to see the sprucing up during the Centennial year. Nebraska City is going to have a lot of visitors before the year ends.

Football fans will be pleased when the stadium job at Hayward park is completed. It'll be pretty snazzy, complete with a new track and new seating for 1,500.

Voters authorized the money for the job in a special election last fall and the schoolboard is keeping its promise and getting the job done. The board has learned that the job will be quite expensive although just how much has not been determined. It was estimated that a complete job including enlarging the track to 440 could run near $50,000.

The track work may be delayed, but the football facilities, light moving and what have-you, will be completed for fall games.

And with the Apple Bowl coming this fall, Nebraska City will host fans in spacious facilities in historic Hayward park.

Nebraska City volunteer firemen are relaxing now after several nerve wracking weeks of dry ground and especially strong winds.

The shower a week ago and the one Thursday night pretty well combined with the spring greening-up to relax the fear of disastrous grass fires in strong winds.

The much-talked about fight of Cassius Clay and ex-champ Floyd Patterson ought to be one for the books. Patterson is a battered old champ in ring circles. He's 32 and reportedly a millionaire. He held the heavyweight crown in 1965.

Clay wants to squeeze in a quickie fight before Uncle Sam substitutes boxing gloves for an M-14.
