MULTIPLE BIRTHS

Q. *I know that quintuplets are rare, but how rare? Is there any record of six or more babies being born at the same time?*

A. Six is the greatest number of human fetuses delivered at one time, despite extravagant claims to the contrary In no case of proved sextuplets has any such offspring survived for more than 24 hours In 28 million births occurring in the U S between 1922 and 1936, quadruplets occurred once in 492,314 pregnancies, while among 57 million births between 1928 and 1949, triplets were recorded once in 9,130 births, and twins occurred once in 89 3 births

EXTRASYSTOLES

Q. *I have been told that I have extra—something or other—meaning extra heart beats. Is this a sign of heart trouble?*

A. As a rule premature beats (extrasystoles) are of no importance They often occur in otherwise healthy hearts, especially in people past middle age One famous heart specialist has said that they have the same significance as grey hairs

The buck Ends here . . . .

By Ivan D. E. Beaumont

Alma Beccard, 1515 Central Avenue, telephoned the otherday to say that to the best of her knowledge, no one is going to build a tavern in her home.

She contacted an attorney who suggested that perhaps there was an address error in the application to move a tavern to the address.

And to this, Alma agrees.

She said 1517-19 Central is owned by Edward Clayton. She surmised that perhaps the correct address might be 1509-11 Central Avenue.

If you want to see a cutie, then you should see Rita, daughter of Mr and Mrs Don Long, do a clown tap dance and watch her closely as her hat unintentionally falls off.

Like the old pro, and much to the delight of her audience, the child, tosses the hat aside and continues her act.

Sort of a. . .the show must go on. . .

Understand a University student marked her registration card as a Catholic, and received a number of calls from a priest looking after youngsters away from home.

Apparently wishing a little more freedom or not wanting to be checked on while away, the student signed her registration card the next year as Moslem.

She had no visitors.

About the only thing I can say about the Moslems, Arabs and desert Egyptians is that they sure stirred up a dust storm.

When you talk about war, talk with a parent who has a son "over there." In my book, those parents are the real authorities on the subject.

I know one mother who worried and watched over her sons and only recently started breathing easily when the last of her four sons returned home unharmed.

Mr and Mrs Ralph Hobbie probably have opinions on the war. They were informed the other day their son, Gary, was wounded.

When they flashed Billy Graham on television the other night and he unloaded on sex, immorality and the Bible, I didn't know whether to switch channels or turn up the volume.

So, our family just sat back and watched and listened to the silver-tongued Graham with the Bible in his hand.

A parent of a teenager told me recently that she used to think of herself as an average mother. Now, the description is "Golly, Mom, you're dumb; you just don't know what's going on."

Billy Graham does.

And he sure knows how to put it into words.

Weekend TV Sports Guide

WHITE SOX—TWINS TO BATTLE SATURDAY

The league-leading Chicago White Sox, the speediest team in the American League, and the Minnesota Twins, strong on offense and pitching, meet in a "Major League Baseball" game to be colorcast nationally by the NBC Television Network Saturday, June 24, starting at approximately 1:15 p.m. CDT, Channel 3.

Curt Gowdy, Sandy Koufax and Pee Wee Reese will be the NBC-TV commentators for the national colorcast from Minnesota's Metropolitan Stadium which will immediately follow "The Sandy Koufax Show" at 1 p.m. CDT.

The White Sox, under manager Eddie Stanky, have run and pitched their way to the top of the league standings. Jim O'Toole, Tommy John, Gary Peters, Joe Horlen, John Buzhardt, Bob Locker and Hoyt Wilhelm satisfy Chicago's pitching needs while Tom McCraw, Don Buford, Tommy Agee and Walt "No-neck" Williams supply the baseball thrills.

The Minnesota Club, under newly-named manager Cal Ermer, is led by pitching ace Dean Chance, slugging first baseman Harmon Killebrew and second base rookie star Rod Carew. Carew and infielder Cesar Tovar are among the league's top ten batters and Killebrew is among the runs-batted-in top five.

Golf, the Wide World of Sports, and Soccer, along with Omaha and professional bowling round out the weekend TV sports viewing.
